

Charlotte-Mecklenburg Schools After School Enrichment Program

The After School Enrichment Program (ASEP) provides children a safe, fun, and educational environment after school hours. ASEP holds a license from the North Carolina Division of Child Development, which allows Child Care Resources Inc. (CCRI) to provide assistance for children in the Charlotte-Mecklenburg Schools ASEP program. The Eastover ASEP has earned a five star license rating from the State of North Carolina.

Registered students meet in the school cafeteria from school dismissal until 6:00 p.m. Before School care is **only** available if 20 or more families register and runs from 6:45 a.m. until the beginning of the school day (children are escorted to class).
